THAT Kahari Resort in the Bahamas is on the market as a \$300,000 rental for the month of August. Hey, Hamptons mansions regularly cost that much, and this 45-acre beachfront property consists of 13 bungalows that can hold 25 people. The price tag includes round-the-clock catering from top chef **Johann Fritz Zwahlen**. It's located on coronavirus-free Stocking Island and is also available to rent by the week in July, according to broker **Neal Sroka**, of Douglas Elliman.
